## PRE-SCHOOL NEWSLETTER

Week ending 20<sup>th</sup> December 2024

### Return of the weekly newsletter!

Welcome to our Pre-School newsletter! After the Christmas break, we will be sending a weekly newsletter on School Spider to update you on what Pre-School have been doing each week. The newsletter will also include any important dates and reminders. Thank you for your continued support.

### A round up of a busy first term at Pre-School!

The children have settled into Pre-School life brilliantly. The children have made lots of lovely new friends and it is beautiful to watch their friendships blossom every day.

The children have been so busy this term! From drawing their self-portraits to baking to doing some 'happy breathing'; the children have taken it all in their stride and are learning so much. We also had our very first Nativity! The children were absolutely amazing and thank you to those who were fortunate enough to come and watch their performance.

### Coming up next half term

Next half term in Pre-School, we are going to be exploring minibeasts! We will first look at bees and how they help our planet and will eventually move onto investigating caterpillars and their life cycle.

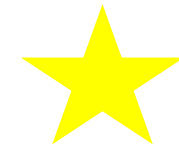

Also, don't forget to check out our gallery on the school website to see the children in action.

We hope you have a wonderful Christmas break and a happy New Year!

The Pre-School Team 😊
