

# Mrs Draper's Homework Menu

Choose your homework from the menu below. Aim to complete at least 2 pieces of homework each week. Homework can be completed on paper or take a photo and upload and email it to me to submit [h.draper@harris.lancs.sch.uk](mailto:h.draper@harris.lancs.sch.uk).

The Peri-ometer suggests the difficulty or challenge the homework may offer.

The Year 5 spellings lists and games to practise the weekly spelling rules can be found at <https://www.spellingcity.com/users/Harrisfive>. Individual spellings will be sent in child's spelling books. If your child is being set their own spellings, please feel free to look at the Year 5 spellings too and have a go at the games on Spelling City.

Please read to an adult at home and ask them to sign your reading record. **Reading is vital!**

For extra practise of your maths skills, login in to [www.ttrockstars.com](http://www.ttrockstars.com) or [www.IXL.com](http://www.IXL.com) and work your way through the skills.

<p>Science: Create a diary to record the phases of the moon for a month. Look outside when it has gone dark and draw what you can see.</p>	<p>Write a short conversation between two characters, one from Earth, one from a distant galaxy. What would you discuss?</p>	<p>Research different a planet from our solar system and create a fact-file with all of your findings.</p>	<p>Art: Create a model or a poster of our solar system. It is up to you which materials to use.</p>
<p>Research somebody who has been to space! Who are they? What did they do up there? You can present this however you like.</p>	<p>Partition these numbers using a part-whole model: 65789 / 23567 / 456702 / 345121 / 56896 / 98407 / 712502 / 8004 / 7064 / 34005</p>	<p>Choose a biome and find out all about it. Where is it? What is the weather like? What different plants and animals live there?</p>	<p>Read a book and write a detailed book review about it. Summarise the plot? Who were the characters? What were they like? Would you recommend it? Why?</p>
<p>Choose a character from your book and write a diary entry pretending to be them.</p>	<p>Find all of the factors of the following numbers: 2, 10, 16, 17, 21, 24 and 40</p>	<p>Design a time-travel machine. What does it look like? How does it work? What different times can it take you to?</p>	<p>Spend some time with your family. Write down what you have done.</p>
<p>Practise times tables on TTRS for 10 minutes on at least three days a week.</p>	<p>Using squared paper, draw and record as many square numbers as you can. Can you do it in order in a methodical way?</p>	<p>Choose your favourite month of the year, write the name of it in French and decorate using things related to the month you have chosen</p>	<p>Think of a way to help out at home that you don't normally do, e.g. keeping bedroom tidy, helping with washing up, vacuuming. Try to complete it every day.</p>
