

# Miss Clayton's Takeaway Homework

Choose your homework from the menu below. Aim to complete at least 2 pieces of homework each week. Homework can be found on Google Classroom and on our school website. Homework can be handed in on paper, via email or submitted on Google Classroom. The Peri-ometer suggests the difficulty or challenge the homework may offer. Each week you should include at least one task from the 'extra hot' spice level.

o Please read to an adult at home every day and ask them to sign your reading record. **Reading is vital.**
