

HARRIS PRIMARY SCHOOL

YEAR1 NEWSLETTER

Week ending 28th March 2025

This week we had the school trip to Blackpool Zoo. We managed to see all the animals and even had time to take in the sea lion show and elephant talk. The children behaved AMAZINGLY and represented Harris Primary School perfectly. The children had a great time and I think the red panda was definitely a class favourite. I was so proud of all the children it was a great day!!!

What we have learnt...

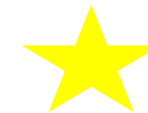

In maths, we have been looking at time and telling the time to o'clock and half past. The children have been fantastic at this and even remind me of the time at different times of the day. In English this week, we have been using our trip to the zoo to help us complete our short writes. We made sure our writing had full stops, capital letters and finger spaces. We also looked at using time openers to our sentences and using some description along the way. In history we talked about what our favourite film/programmes are and what we used to watch them on i.e. Netflix, Disney and Prime Video. We spoke about how our Grandparents/Great Grandparents didn't have the use of smart T.V's and apps to watch their favourites and that they actually had to go to a cinema. We spoke about the use of video cassettes and DVD's and compared T.V's from Now and the past. We have been looking at our handwriting this week and the children have been doing really well and have made great progress. In phonics, we have been doing a quiz to see if we can remember all of our sounds. After talking to Mr Ridge, he said all children are doing great in P.E and they are all enjoying the activities every week. After a busy week we only have one more week to go until the end of term.

We hope you have a great weekend
